

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1 (previously presented): A spray gun for fast setting plural component materials, said spray gun comprising:

a gun body;

an air cap;

a fluid housing removably attached to said gun housing, said fluid housing having a threaded surface for threadedly receiving said air cap and generally opposed first and second radial ports in said threaded surface; and

first and second seal cartridges retained in said ports by friction and said air cap.

Claim 2 (previously presented): A spray gun for fast setting plural component materials, said spray gun comprising:

a push and turn connector having first and second parts;

a gun body, said gun body having a piston slideably located therein, said piston having said connector first part thereon;

a fluid housing having a mix chamber slideably located therein and extending rearwardly from said fluid housing, said mix chamber having said connector second part thereon;

a lock ring rotatably located on said fluid housing for threaded engagement with said gun body so that said fluid housing and said gun body may be separated without the use of tools by unscrewing said lock ring and turning said connector.

Claim 3 (new): The spray gun for fast setting plural component materials of claim 1 further comprising a fluid housing having a mix chamber located therein and said first and second seal cartridges sealing against said mix chamber, said cartridges and said mix chamber comprising sealing surfaces comprised of a hardened material.

Claim 4 (new): The spray gun for fast setting plural component materials of claim 3 wherein said hardened material is stainless steel

Claim 5 (new): The spray gun for fast setting plural component materials of claim 4 wherein said hardened material is 440C stainless steel.

Claim 6 (new): The spray gun for fast setting plural component materials of claim 1 further comprising a grease fitting in said fluid housing for injection of grease into said spray gun for storage.

Appl.No. 10/532,436
Amdt.dated June 28, 2005

Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'DF', is written over the text 'Respectfully submitted,'.
